Daniel Busuioc

Web Developer

Innovative Web Developer beginner in the terminal year of Bachelor degree. Equipped with a diverse and promising skill-set. Proficient in an assortment of technologies, including HTML and CSS. Able to effectively self-manage during independent projects, as well as collaborate in a team setting. A creative thinker, adept in software development.

Employment History

Internship Web Development at TUD Group, Bucharest, Romania
MAY 2022 — JUNE 2022

Developing my skills in HTML, CSS, JavaScript and other Web Designing related activities. I was next to my leader helping him with daily tasks which he encountered from building end modifying web applications and websites.

Lime Juicer at Lime, Warsaw, Poland
NOVEMBER 2021 — FEBRUARY 2022

Maintained the scooters my moving their positioning and their location. I picked up and dropped off the scooters that were broken. Taking the scooters to charge them was also one of my responsibilities.

Ride Operator at Morey's Piers, Wildwood, USA
JUNE 2021 — OCTOBER 2021

Operating rides at the amusement park, which helped me learn how to deal with people and pay attention to the details. Safety was my number one priority as well as client's satisfaction starting from the way I talk and the way I dress.

Warehouse Associate at DPD, Augsburg, Germany
JUNE 2020 — OCTOBER 2020

Working as an associate at a DPD warehouse, handling delivery packages. This helped me develop the ability to work in a team as well as being productive and efficient in every manner with my workflow.
